## Older Americans Month

Established in 1963, Older Americans Month is celebrated every May and a time for us to acknowledge the contributions and achievements of older Americans. This year's theme, *Aging Unbound*, offers an opportunity to explore a wide range of aging experiences and to promote the importance of enjoying independence and fulfillment by paving our own paths as we age.

## USAging Vaccine Collaboration Grant

The Area Agency on Aging District 7 (AAA7) was recently awarded funding from the Administration for Community Living through USAging's Aging and Disability Vaccination Collaborative that will allow the AAA7 to provide outreach and education on the importance of vaccines and partner on vaccination opportunities for older adults and individuals living with a disability in the community. The AAA7's ten-county district includes Adams, Brown, Gallia, Highland, Jackson, Lawrence, Pike, Ross, Scioto and Vinton. Grant functions include an array of vaccination promotion activities. These could include hosting community vaccine clinics, providing in-home vaccinations, providing transportation to vaccination sites, and conducting outreach and education to older adults and those living with a disability, among other activities. The vaccines will include flu, pneumonia, shingles and COVID-19.
