

# Functional Tip

*with the Area Agency on Aging District 7 and the  
Shawnee State University Occupational Therapy Program*

---

Living with a stroke that changes your ability to use one of your arms, hands, and/or legs can create challenges to daily living. Adaptive equipment can make it easier to do everyday activities.

*Learn more by watching a recorded version of  
our “Functional Fridays” broadcast on the  
Area Agency on Aging District 7  
Facebook page.*
