Vaccine Resources and Info

COVID-19 vaccines for older Ohioans will be given by local health departments, hospitals, federally-qualified health centers, and some retail pharmacies. How and where to get vaccinated will vary depending on where you live. A provider search is available at coronavirus.ohio.gov that allows Ohioans to search by county, ZIP code, and category to find a provider in their area to administer the vaccine.

Information about vaccine providers in our ten core counties is available at our website at www.aaa7.org or by calling 1-800-582-7277 Monday through Friday from 8:00 am until 4:30 pm. This includes Adams, Brown, Gallia, Highland, Jackson, Lawrence, Pike, Ross, Scioto and Vinton.
