Vaccine Website

Vaccines.gov helps people find the latest information on COVID-19 vaccine availability at certain providers and pharmacies. For each location, the website displays: types of COVID-19 vaccines available, the website or phone number to take the next step to get vaccinated, and hours of operation. If you are currently eligible to get vaccinated, click the “Find COVID-19 Vaccines” button to find a vaccination location and schedule an appointment with the specific vaccine provider or pharmacy.

Information about vaccine providers in our ten core counties is available at our website at www.aaa7.org or by calling 1-800-582-7277 Monday through Friday from 8:00 am until 4:30 pm. This includes Adams, Brown, Gallia, Highland, Jackson, Lawrence, Pike, Ross, Scioto and Vinton.
