

## EASTER

All things fresh, all things clean, all things new,

This is what JESUS came to do!

So when thinking of JESUS, some see a baby in a manger, some see death on the cross & the blood, or  
JESUS on a cloud, on a white horse, a warrior, or a painting in church foyers.

So when thinking upon Easter, spring flowers come to mind, new life from winter, the tomb, the stone  
rolled away, JESUS triumphing over satan & death to endless day!

And thinking upon GOD the FATHER, WHO sent HIS SON, gave HIM to the world. Some denied &  
rejected & killed HIM! But HIS power continues in hearts of those who believe HE has risen!

Let us see HIM in love as powerful and peaceful as the as the ocean waves and in the beauty of the  
mountains! Let us feel HIM close as a hug from a parent! Let us know HIM as GOD, as CREATOR,  
our MAKER, the GIVER of our breath, like the Bible says, GOD IS LOVE! Let us keep HIM close as  
our dearest Friend, like a cherished Brother, like a blanket of warmth, like a coat & gloves from the  
cold!
