Older Americans Month Proclaimed in Brown County

Each May, Ohio joins the nation in observing Older Americans Month. Ohio is home to more than 2.3 million adults age 60 and older and another two million baby boomers, comprising of more than 40 percent of our state's population. This year's theme for Older Americans Month, set by the Ohio Department of Aging, is "Well Beyond 60!" The Area Agency on Aging District 7 (AAA7) joins the Ohio Department of Aging, local providers and senior centers, and other important partners in the aging network in recognizing older adults and the people who serve and support them.

In observance of Older Americans Month, representatives from the AAA7 and Brown County Senior Citizens Council recently visited the Brown County Commissioners Office in Georgetown, where a proclamation for Older Americans Month was signed by the Commissioners for this special observation.

Pictured at the proclamation signing were, left to right, Sue Brooks-Lang with the Brown County Senior Center; Mary Ann Jones with the Area Agency on Aging District 7; Brown County Commissioner Daryll Gray; and Jenni Lewis and June DeMoya, both with the Area Agency on Aging District 7.

For more information about long-term care home and community-based options in your community, or to schedule an in-home consultation at no cost to discuss these options more, call the AAA7 toll-free at 1-800-582-7277.
