**Older Americans Month Proclaimed in Jackson County**

Each May, Ohio joins the nation in observing Older Americans Month. Ohio is home to more than 2.3 million adults age 60 and older and another two million baby boomers, comprising of more than 40 percent of our state's population. This year's theme for Older Americans Month, set by the Ohio Department of Aging, is "Well Beyond 60!" The Area Agency on Aging District 7 (AAA7) joins the Ohio Department of Aging, local providers and senior centers, and other important partners in the aging network in recognizing older adults and the people who serve and support them.

In observance of Older Americans Month, representatives from the AAA7 and RSVP of the Ohio Valley recently visited the Jackson County Commissioners Office in Jackson where a proclamation for Older Americans Month was signed by the Commissioners for this special observation.

Meeting with Jackson County Commissioners Jerry Hall, Ed Armstrong and Paul Haller were, standing, left to right, Dan Dobbins, Jackson County Board of Trustees Member with the Area Agency on Aging District 7; Sarah Tobert, Jennifer Lovett and Jenni Dovyak-Lewis, all with the Area Agency on Aging District 7; and Susan Rogers, Director of RSVP of the Ohio Valley.

For more information about long-term care home and community-based options in your community, or to schedule an in-home consultation at no cost to discuss these options more, call the AAA7 toll-free at 1-800-582-7277.
