**AAA7 Encourages Medicare Beneficiaries in Lawrence County to
Schedule Medicare Counseling Appointments at Upcoming Event**

Are you a Medicare beneficiary? Want to learn more about Medicare and how the Medicare Annual Coordinated Election Period can work for you? Want to stay informed and healthy and save money? If so, then mark your calendars for an upcoming opportunity to schedule an individual Medicare counseling appointment that will be held on Thursday, November 5th at the South Point Briggs Library, located at 317 Solida Road in South Point. Those who are interested must schedule ahead of time by calling the Area Agency on Aging District 7 (AAA7) at 1-800-582-7277, extension 250. The AAA7, which covers ten counties in southern Ohio, including Lawrence, encourages Medicare beneficiaries to attend this important and helpful event.

The free event is made possible by the Ohio Department of Insurance's Ohio Senior Health Insurance Information Program (OSHIIP), which is traveling the state to help Ohioans, family members and caregivers understand the different Medicare coverage options and possible financial assistance. Medicare's Annual Coordinated Election Period starts October 15th and ends December 7th. During this time, Medicare beneficiaries can evaluate their current coverage and make the determination on whether they should switch to a plan that will better support their needs.

Scheduling an individual counseling appointment in South Point on November 5th will also provide individuals with tips on how to enroll for 2016 coverage in a Medicare prescription drug plan (Part D) and/or a Medicare health plan. Beneficiaries may qualify to save an average of \$4,000 on prescription drug costs and representatives will be on hand to help determine the qualification requirements for individuals.

Those on Medicare are strongly encouraged to attend the event, which will provide helpful information and assistance and provide an opportunity to speak with someone in more detail about Medicare benefits in addition to having any questions or concerns answered.

For more information about the event or questions about Medicare, call the Area Agency on Aging District 7 toll-free at 1-800-582-7277, extension 250, or OSHIIP toll-free at 1-800-686-1578. Those with Medicare questions can also call Medicare at 1-800-MEDICARE (1-800-633-4227). A complete listing of available Part D and Medicare Advantage plans is available at www.medicare.gov.
