**Free Family Caregiver Workshop Available  
in Ross County for Caregivers of Veterans**

Live in Ross County or surrounding communities? Are you caring for a Veteran and looking for some educational tools to help you in your caregiving role?

The Area Agency on Aging District 7 (AAA7) is sponsoring a free educational, supportive class just for caregivers of Veterans. “Powerful Tools for Caregivers” is designed to provide you with the tools to take care of yourself while caring for a relative or friend. It is available to help family caregivers reduce stress, improve self-confidence, communicate feelings better, balance their lives, increase their ability to make tough decisions, and locate helpful resources.

Classes consist of six sessions held once a week. Two experienced class leaders conduct the classes and provide interactive lessons, discussions, and brainstorming to help caregivers take the tools presented and place them in action. Attendees will receive a free book, “*The Caregiver Helpbook*,” developed specifically for the class that covers topics such as hiring in-home help, helping those with memory issues, making legal and financial decisions, and understanding depression.

“Powerful Tools for Caregivers” will give you the tools to:

- Help you reduce stress
- Communicate effectively with other family members, your doctor, and paid help
- Take care of yourself
- Reduce guilt, anger and depression
- Help you relax
- Make tough decisions
- Set goals and problem solve
- Share and learn from other caregivers of Veterans

Pre-registration for “Powerful Tools for Caregivers” is required by calling the Area Agency on Aging District 7 toll-free at 1-800-582-7277, extension 284, or e-mailing [info@aaa7.org](mailto:info@aaa7.org).
