Healthy Aging Grant iPad Class Available for Pike County Seniors

The Area Agency on Aging District 7 (AAA7) and the Pike County Commissioners are offering a special class to educate the community about how to use an iPad. The opportunity is made possible through the State of Ohio Healthy Aging Grant. The AAA7 and Pike County Commissioners are partnering together to meet the requirements of the Grant, one being to offer support for digital literacy.

The class is set for Wednesday, April 17th from 1:00 pm until 3:00 pm, with a limit of 25 participants. Potential participants must be age 60 or over, a resident of Pike County, and complete a registration form to be considered. Once the registration is received, individuals will be entered in a drawing for one of the 25 seats. Those who participate in and complete the class will receive an iPad to keep.

Registration forms are available at the Pike County Senior Center from March 1st through March 31st. Those chosen for the class will be notified in early April.

Questions can be addressed to the AAA7 at 1-800-582-7277 or email at info@aaa7.prg.
