NCQA Accreditation

The Area Agency on Aging District 7 has received Accreditation of Case Management for Long-Term Services and Supports from the National Committee for Quality Assurance (NCQA) for its PASSPORT and Assisted Living Medicaid Waiver Programs for a period of three years. Earning NCQA's Accreditation of Case Management for Long-Term Services and Supports (LTSS) demonstrates that an organization is dedicated to coordinating the delivery of care in a person-centered and integrated manner to help individuals function optimally in their preferred setting. NCQA's Accreditation of Case Management for LTSS is a voluntary review process. AAA7 Care Managers working with both of these programs continuously monitor the health and safety of enrolled individuals and help them remain in their preferred residence by arranging services and supports to meet their needs.
