Highland County	<p>Update 5/12/21 – Highland County Health Department Facebook Page:</p> <p>Pfizer Vaccine eligibility is being expanded to people 12 years old and older. The health</p>	<p>Highland County Health Department, Hillsboro</p>	<p>1-866-395-1588 https://highlandcovidvax.timetapp.com</p>	<p>(937) 393-1941</p>

department will be working with our local schools to determine how best to offer vaccines to those interested from this group. With school out soon for the summer, this may involve some specific clinics at the health department where Pfizer is offered. Parents will also have the option of working with Fayette and Clinton County Health Departments, where Pfizer is offered on a regular basis.

Update 5/7/21 – Highland County Health Department Facebook Page:

We have scheduled more stops for our MOBILE Covid-19 Vaccine clinics throughout Highland County.

- ◆ We will be making stops at a location near YOU!
- ◆ We will be offering the Moderna Vaccine.
- ◆ The cost is \$0.
- ◆ No Appointment needed.
- ◆ Just meet us at any of the following locations!

	<p>minimum requirement of five employees for us to come on-site. If your business is interested in this service, please contact the Jackson County Health Department at 740-285-5094 ext. 2825 or email hmcdonald@jchd.us.</p> <p>Update 5/6/21 – Jackson County Health Department Facebook Page</p> <p>**Vaccine Information**</p> <p>If you were scheduled to receive your 2nd dose of Moderna or Pfizer vaccine sometime the week of May 10th through the 14th, you should come on Tuesday, May 11th from 3:30 until 7 PM to the Jackson High School Field House. This will be the only clinic the health department is offering next week, so even if that's a couple days before the 2nd dose date written on your vaccine card that won't be a problem, the vaccine will still be effective. This clinic will operate on a walk-in basis, and you won't be charged out of pocket for this service. Anyone 16 years of age and older is welcome attend any of the JCHD's public clinics including this one to receive their first dose.</p> <p>Update 3/10/21 – Jackson County Health</p>
